WELCOME

WELCOME TO THE FROTH & FLAME,
WHERE WE HAVE CRAFT FOOD & DRINK
AT THE HEART OF OUR DNA.

Our food craft starts every morning with our chefs making the fresh dough from a secret recipe & lighting the wood fire that makes our award-winning pizzas & breads. Our head chef Paulo (pictured opposite) was the '2018 UK Italian Awards Pizza Champion' whilst also finishing runner up in 2019, where Froth & Flame was Highly Recommended.

Our Italian craft provenance is vital to us & for the truly Neapolitan experience, the pizzas are cooked in the wood fired oven & we source the best ingredients direct from Italy. These include: tomato San Marzano D.O.P Mozzarella fior di latte; Mozzarella di Bufala D.O.P & all the cured meats; Spianata salami; calabresa sausage; prosciutto crudo; prosciutto cotto; & pancetta affumicata.

Head Chef - Paulo Magalhães

Complimenting beautifully our food range we have our very own multi award-winning craft beers available from Keith Brewery, Alechemy Brewing, Spey Valley Brewery & Out of Town Brewery. Each of these breweries produces some of Scotland's finest craft beers including lagers, IPAs & stouts. Alongside this we also have our own craft gin, Anither Gin, from Speyside Spirits. This premium gin stands out from the crowd with our own distiller foraging in the Highlands for the botanicals that give this gin a unique spruce infused flavour.

Head of Brewing - Tony Kotronis

We hope you enjoy your visit to us here at Froth & Flame, where our goal is to provide you with the best pizza, beer & gin we can. We aim to do this by 'Keeping it Craft', as we believe this is how it should be done. We would say that though, seeing as it's in our DNA!
